

# W74H

## Yealink DECT Handset

The Yealink W74H is the new generation of stylish modern wireless handsets designed for business use with a new ID design, which is more sleek, convenient to carry, and has better battery life and communication quality. It also provides maximum freedom and flexibility. You can choose a Bluetooth headset or wired headset on demand, with Bluetooth 5.1 and a 3.5 mm headset jack. Thanks to the vibration, you are guaranteed not to miss any call, even in noisy and stressful situations.

Combining the benefits of wireless communication with rich business features of Voice-over-IP telephony, it empowers users with convenient wireless communication, excellent speech quality, and encrypted call information by the reliable DECT encryption technology. Its graphical color display will provide you with a comfortable and joyful user experience for the all-day work.

The W74H is perfectly compatible with the Yealink W70B. The W74P system can support 10 handsets, 10 SIP accounts, and 20 simultaneous calls (2 calls per handset).

The W74H will be perfectly compatible with the W75/W80/W90 multi-cell system, providing you with more options for your office expansion.

### Key Features and Benefits

- New modern commercial design, more compact and easy to carry
- 1.8" 128 x 160 TFT color screen with an intuitive user interface
- Up to 24 hours of talk time (in ideal conditions)
- Up to 320 hours of standby time (in ideal conditions)
- Quick charging: 10-min charging time for 2-hour talking time
- HD voice and FNR (Flexible Noise Reduction)/Noise Cancellation
- Headset connection via Bluetooth or 3.5 mm jack
- Vibration guarantees you do not miss any call, even in noisy situations
- Sturdy and reliable belt clip to move discretionarily
